

Ellin Oliver Keene is the author of *To Understand* (2008) and coauthor of *Mosaic of Thought, Second Edition* (2007), both published by Heinemann.

The Susie Royer Syke Literacy Fellowship Proudly Presents: **Ellin Oliver Keene: TO UNDERSTAND**

Educators frequently emphasize the need for students to understand what they read, but do we pause to talk thoughtfully with students about the very nature of understanding itself? When we marshal our resources to “teach comprehension”, are we using a definition of comprehension worthy of children’s learning? Ellin will address these questions by sharing examples from her work in some of the lowest income schools in the country.
